Now this fanpage has over 1 million members and it is a prime example of a fanpage that has gone viral.

Notice the topic – it is funny and at the same time people on Facebook like “funny” Fanpages.

You can make money from viral Fanpages by selling Gigs on Fiverr or renting out “Status Update space” to potential advertisers or people.

People are already offering this guy money for this fanpage!

Take a look at the “reviews” section.

Rj Scott "★★★★★" To the admin of this page, Please message me here on facebook. I would like to offer you some cash for this fan page you made. Hope to hear from you soon.

Title - **I Hate Getting Texts That Only Say "k"**

Here is another fanpage that has gone “viral” and has over 3 million fans.

The screenshot shows a Facebook fanpage titled "I Hate Getting Texts That Only Say 'k'". The page has a cover photo of a large black letter 'K' and a profile picture of a young boy shouting. The page has tabs for Wall, Info, Photos, and Discussions. A post from the page promotes a t-shirt deal: "I Hate Getting Texts That Only Say 'k' Another great t-shirt! Over 1000, with a buy 3 get 3 free deal! \$14.99 each! Get funny t-shirts here: <http://www.roadkilltshirts.com/Default.aspx?afid=5> Only 4 months till Christmas!!! Don't forget your hoes...". Below the post is a t-shirt with a Santa Claus graphic and the text "WHERE'S MY HOES AT?". A red arrow points from the text "Monetising this Fanpage by Affiliates." to the t-shirt image. On the left side of the page, a red box highlights a text area that says: "Make the k go away! Buy 3 get 3 free on funny shirts! <http://www.roadkilltshirts.com/Default.aspx?afid=5> Created by Jake Radvansky!". Below this, it says "1 friend likes this." and "3,972,318 people like this". At the bottom, there is a post titled "I Hate It When People Chew With Their Mouths Open." with a picture of a dog and the text "Page: 6,201 people like this."

Now this Fanpage is pretty funny but its something that people can relate to.

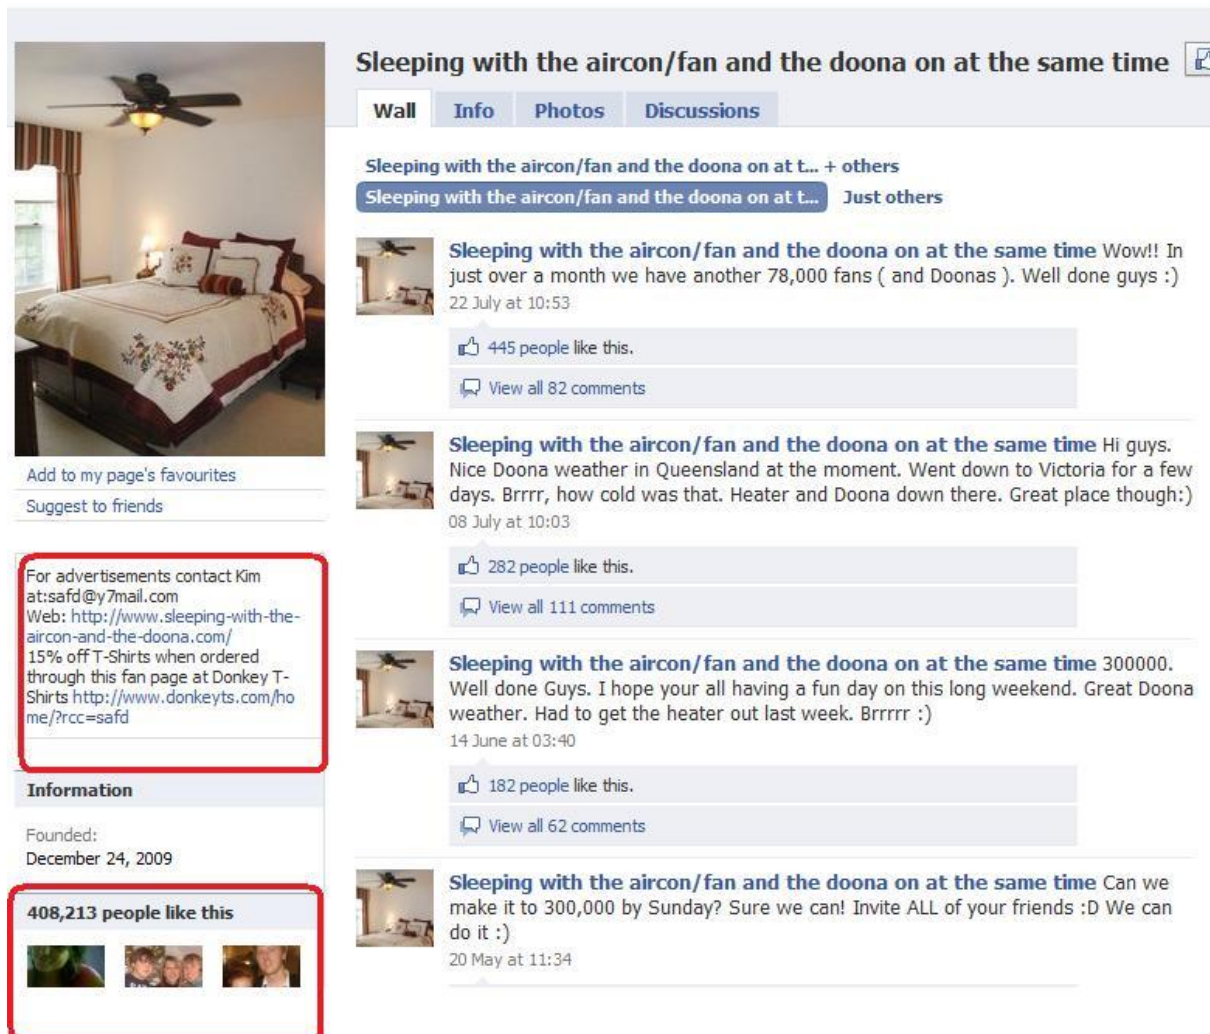

How many times have you had your friends SMS you and reply to you with the word “k”. I know I hate this!

You will notice that this Fanpage has generated a lot of interest and the owner is cashing in by promoting affiliates. However, you should notice that this

owner is not using a landing page or a welcome page. By using a landing page he can double the amount of visitors to his fanpage.
